
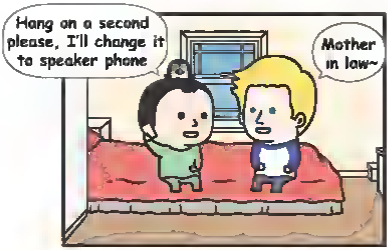
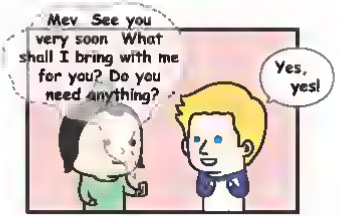
Mev hadn't seen her for a while
so he seemed very excited.

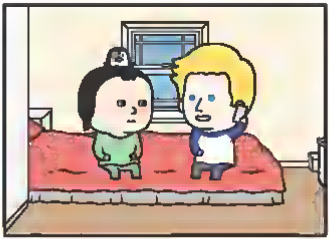


Hang on a second please, I'll change it to speaker phone
Mother in law~

When do you come? Come quickly~



Mev asked my mom to bring the Korean alcoholic drink, soju with her.



He's never said
he doesn't need it.

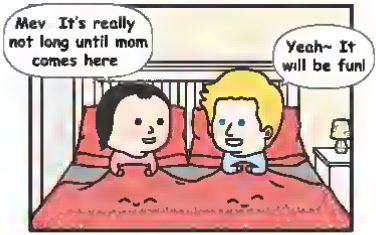
Yeah, mom
That's really expensive here so we never buy it. Yes, please.
Mother in law~

What will you do today?
Today?
Haha. I don't have any plan.
Why?

Penguin Loves Mev

In the UK

Mev and Soju

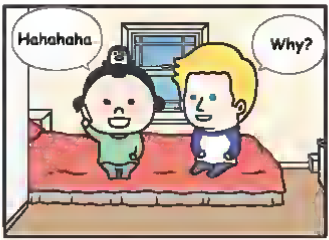


My mom is coming to see us.

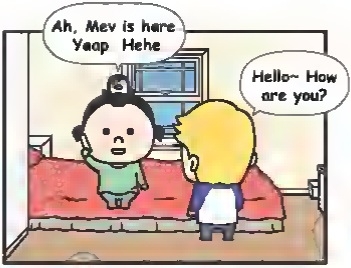
It's OK~
Don't worry about
the soju.

Just bring
few please.

He asked earnestly.



A few days before
my mom was due to arrive in the UK,
I was talking to her on phone



Mev came to me and joined in

Mev seemed upset by her joke and he took the phone back and said quickly with a sad face.
